or contact Katie Misuraca at [kmisuraca@wellspringhouse.org](mailto:kmisuraca@wellspringhouse.org)

Wellspring invites you to join us for the opportunity to trace our roots as a 17th century stagecoach inn and our early days as a family shelter and to learn more about our expansion to offer homelessness prevention, adult education, job training and career readiness programs as our foundation for guiding families on the North Shore toward employment and financial security.

Featuring both in person and virtual opportunities to connect, there's a way for everyone to experience Wellspring's Past, Present and Future.

Make a reservation for yourself or a group of friends for a guided tour of Wellspring's historic property, to visit our exhibit, and meet staff to learn about our programs. We are also offering a virtual option to connect! Wellspring Connects! will stream live on June 3rd at 12:15. See our work in action:
